About

I am a passionate and dedicated student, embarking on an academic journey fueled by curiosity and a relentless pursuit of knowledge. Currently pursuing B.TECH - Artificial Intelligence and Data Science at Gnanamani College of Technology, I thrive in the dynamic intersection of theory and practical application. As an avid learner, I actively engage in both coursework and extracurricular activities to broaden my perspectives and enhance my skill set. With a more interest in Full-stack Development, I am committed to leveraging my academic prowess to contribute meaningfully to the field. My portfolio showcases not only my academic achievements but also my projects, experiences, and the unique blend of skills that define me. Beyond the classroom constantly seeking opportunities to collaborate and create innovative solutions. Join me on this journey as I navigate the exciting challenges of academia and beyond, driven by a genuine passion for continuous growth and success
